**Once again we are in a fight – and standing together – it's a fight we can win!**

As our members are returning to their jobs, bureaucrats at the Department of Education are preparing pink slips and layoff notices for nearly 800 school aides, parent and community coordinators, health aides and family workers. They will be at work in September and if the Department of Education has its way, all will be gone by October.

**Our children, our teachers and our communities deserve better. We will not go away silently.  
For information, please contact Mickey Melendez, Executive Assistant to the President at (212) 815-1372**
